Vineyard Series Insulated Steel Garage Doors

For homeowners or home builders who want the timeless look of an authentic carriage house door, including an oversize window section, built on an insulated core with virtually maintenance-free materials, General Doors offers the Vineyard Series of overhead garage doors.

- Durable two-coat baked-on polyester finish on both sides of base door
- Heavy-duty hardware includes nylon rollers for quiet operation and full-leaf 14 gauge hinges
- 2” polyurethane core and a thermal break between inside and outside skins result in an R-value of 18
- Tongue and Groove section joint with bulb seal
